Substance, Meaning & Consciousness: A Generic Theory of Existence

This book reads like a compendium of world culture and belief systems. On the other hand, when we examine into the details supplied to us as to the progress of the affair, we find that much of what the conspirators are said to have done is well-nigh incredible, while it is utterly impossible that if they really acted in the manner described, the public authorities should not have had full knowledge of their proceedings.

Files & Rasps in Switzerland: Market Sales

In our spare time, we enjoy gardening, kayaking, nature walks and of course, writing. Indeed, traveling through Japan I was struck by the relative lack of anti-nuclear discourse, even in Fukushima Prefecture.
